

Guidelines given for mailing to Iraq

The Military Postal Service Agency has released information about mailing Christmas packages to Iraq. Recommended deadlines for sending mail are:

- Parcel Post: Nov. 13

- Space Available: Nov. 27

- 'Parcel Airlift Mail: Dec. 4

- Priority and First Class Letters/Cards: Dec. 6

Express Mail is not available.

Effective Nov. 1, the Galva National Guard will have a new address. It is:

(Soldier's Name)

F/202 ADA

Camp Cooke

APO, AE 09378

Since current plans have the Galva National Guard unit preparing to move back to the U.S. a few weeks after Christmas, it is recommended that you do not mail large items. A lack of space may force soldiers to mail them back.
